

MAY 2015 –
PRESENT

Professor, Wagner School of Public Policy (Since January 2025, Professor Emerita), New York University

- Established a Data Literacy and Evidence Building Certificate (joint with Frauke Kreuter at the University of Maryland)
- Established the pilot for the Coleridge Initiative (joint with Frauke Kreuter, Rayid Ghani, and Clayton Hunter)
- Developed the Applied Data Analytics training programs (joint with Frauke Kreuter, Rayid Ghani, and Clayton Hunter)
- Developed the Democratizing Data platform
- Established the Administrative Data Research Facility

JAN 2024 –
JAN 2025

Senior Policy Advisor, National Institute of Standards and Technology

Advised on the Presidential Executive Order on Artificial Intelligence

JUN 2023 –
JUL 2024

Visiting Fellow, RTI International

2018 – 2022

CEO (co-founder) of the Coleridge Initiative

The Coleridge Initiative is a nonprofit organization working with governments to ensure that data are more effectively used for public decision-making. It provides a platform to securely link confidential data within and across states and agencies, and by providing data literacy training to agency staff.

APR 2012 –
MAY 2015

Senior Managing Economist and Institute Fellow, American Institutes for Research

- Established the Center for Science of Science and Innovation Policy
- Established the Patentsview project (with Stuart Graham, Alan Marco and Evgeny Klochikhin)
- Developed and implemented (in conjunction with Rayid Ghani and Ian Foster) a successful Computational Data Analysis in Federal Agencies class offered by the Computer Science Department at the University of Chicago and the American Institutes for Research
- Cofounded the Institute for Research on Innovation and Science (IRIS) at the University of Michigan

JAN 2008 –
MAR 2012

Senior Program Director, Science of Science and Innovation Policy Program, National Science Foundation

- Developed and managed the Science of Science and Innovation Policy program
- Built the multi-agency, multi-university Consortium “Science and Technology for America’s Reinvestment: Measuring the Effects of Research on Innovation, Competitiveness and Science” (STAR METRICS) program with a budget of \$3 million
- Conceptualized the establishment of the ScienCV program (with Wally Schaffer and the Science of Science Policy Interagency Group)
- Developed and implemented tools to meet NSF and White House strategic goals

SEP 2005 –
JAN 2008

Senior Vice President and Director, Economics, Labor, and Population; NORC at the University of Chicago

- Managed the Economics Department
- Conceptualized and led the establishment of the [NORC/University of Chicago remote access data enclave](#)

SEP 2004 –
DEC 2005

Program Director, Economics, National Science Foundation

- Managed and allocated resources for the Economics program portfolio
- Created a new million funding opportunity for the National Science Foundation “[Next Generation Cybertools](#)” solicitation

JAN 2000 –
AUG 2004

Director, Employment Dynamics Program and Principal Research Associate, The Urban Institute

- Led the creation and permanent establishment of the [Longitudinal Employer-Household Dynamics Program](#) at the U.S. Census Bureau. It is now a permanent Census Bureau program with appropriated funds of \$11 million/year. It has also received a Department of Commerce Gold Medal
- Developed a research agenda that generated over \$15 million in grants and contracts from a variety of foundations, national and international agencies

MAY 1992 –
DEC 2006

The World Bank (consultancies and on sabbatical)

Education and Social Policy unit

- Analyzed and documented the return on education investment in the Philippines, Tanzania and Nadu, India

Private Sector Development unit

- Led a major skill needs project for Malaysia
- Designed and implemented evaluations in Mexico, Morocco, Tunisia, Madagascar

JAN 1984 –
MAY 1990

Assistant and Associate Professor of Economics, University of Louisville

- Established the Center for Business and Economic Research
- Received several awards for research

DEC 1982 –
DEC 1983

Assistant Professor of Economics, Western Illinois University

SELECTED PROFESSIONAL ACTIVITIES

Selected Honors, Fellowships and Awards

Society of Labor Economists Prize for Contributions to Data and Measurement, 2025
American Statistical Association, Celebrating Women in Statistics and Data Science, 2024
Fellow, National Academy of Public Administration, 2023
Government Innovation Award, 2018 for ADRF
New Zealand Association of Economists, Distinguished Fellow, 2018
Warren E. Miller Award for Meritorious Service to the Social Sciences, ICPSR, University of Michigan, 2017
Fellow, International Statistical Institute
Fellow, American Association for the Advancement of Science
Fellow, Society of Economic Measurement
Roger Herriot Award, American Statistical Association, 2014
Julius Shiskin Award, American Statistical Association, 2014
Gutenberg Chair, University of Strasbourg, 2014
Fellow, American Statistical Association, 2009
National Association of State Workforce Agencies Vladimir Chavrid Award, 2004
Senior Research Fellow, Census Bureau 1998–2004 (expanding the LEHD program)
ASA/NSF Census Fellow 1997–1998 (developing the precursor to the LEHD program)
Research Fellow, IZA (Institute for the Study of Labor, Bonn Germany)

Most Recent Editorial Boards

Associate Editor, Harvard Data Science Review
Editorial Advisory Board: *Science and Public Policy*, Oxford University Press
Associate Editor, PLOS ONE
Advisory Editor: *Research Policy*
Associate Editor: Journal of Policy Analysis and Management

Selected Professional Service

US National Institutes of Health

- Advisory Committee on Science of Science Policy

US National Science Foundation

- Advisory Committee for Advanced Cyberinfrastructure (ACCI) 2024–2026
 - ACCI NAIRR Pilot Subcommittee

United Kingdom Data Service

- Programme Advisory Board

German Business, Economic, and Related (BERD) at NFDI (Nationale Forschungsdaten Infrastruktur)

- Advisory Board

US Department of Labor

- Workforce Innovation Advisory Council (reporting to Secretary of Labor) 2023–2026

OSTP/OMB Service, Executive Office of the President

- National AI Research Resource Task Force, 2021–2023
- Advisory Committee on Data for Evidence Building, 2020–2022
- Senior Advisor, OMB/OFCIO, Federal Data Strategy 2019–2021
- President's Council of Advisors on Science and Technology Working group on Review of National Nanotechnology Initiative 2014
- White House National Science and Technology Council; Cochair (with Bill Valdez) the Science of Science Policy Interagency group (chartered by the Subcommittee of Social and Behavioral Sciences of the National Science and Technology Council) 2008–2011

Others

- National Network for Critical Technology Assessment (managed by Carnegie Mellon University, 2022–2023)
- Office of Advanced Cyberinfrastructure (Committee of Visitors), 2022
- AAPOR Big Data Task Force 2014–2015
- American Statistical Association, Chair, Subcommittee on Privacy and Confidentiality 2012–2014; Fellows Subcommittee 2011–2013
- American Association for the Advancement of Science, Chair, 2016, Section K, Social Economic and Political Sciences
- National Academies of Science, Engineering and Medicine: Transportation Research Board 2013; Committee on Revisions to the Common Rule for the Protection of Human Subjects in Research in the Behavioral and Social Sciences 2013; Career Paths of Engineers 2014–2015; Improving the American Community Survey 2016; "Envisioning the Data Science Discipline: The Undergraduate Perspective", 2018

International

- Advisory Board BERD@NFDI: NFDI Consortium for Business, Economic and Related Data
- Research Councils UK International Panel; International Review of eScience 2009
- German Wissenschaftsrat (National Academies equivalent): Roadmap for Social Science and Humanities Research Infrastructure 2009–2010; Roadmap for Science Research Infrastructure 2011–2012; Sciencebased Energy Research Challenges 2012–2013
- OECD/Global Science Forum; Expert group on data infrastructure

Moving Up or Moving On: Workers, Firms and Advancement in the Low-Wage Labor Market

Co-authored with Fredrik Andersson and Harry Holzer, Sage Press, 2005

Included in Princeton University Industrial Relations Section: “Noteworthy Books in Industrial Relations and Labor Economics 2005”

REVIEWS

- [Review by Timothy J. Bartik](#), *W.E. Upjohn Institute for Employment Research*
- [Review by Helen C. Connolly](#) (Spring 2006) *Political Science Quarterly*

Edited

Rich Search and Discovery for Research Datasets

With Paco Nathan and Ian Mulvany, SAGE press, June 2020

Developing the Basis for Secure and Accessible Data for High Impact Program Management, Policy Development, and Scholarship, The Annals of the American Academy of Political and Social Science Volume 675, Issue 1, January 2018

Measuring the Economic Value of Research: The Case of Food Safety

Co-edited with Kaye Husbands Fealing, Stan Johnson and John King, Cambridge University Press, forthcoming 2018

Big Data and Social Science Research: Theory and Practical Approaches

Co-edited with Ian Foster, Rayid Ghani, Ron Jarmin and Frauke Kreuter, Taylor Francis, 2016

Reviews in *Journal of American Statistical Association*, 112:518, 878-882, DOI: 10.1080/01621459.2017.1325629; *Journal of Statistical Software*, Second edition: August 2020

Privacy, Big Data, and the Public Good: Frameworks for Engagement

Co-edited with Stefan Bender, Helen Nissenbaum and Victoria Stodden, supported by the NYU Center for Urban Science and Progress and the American Statistical Association, Cambridge University Press, 2014 (reviewed in *Science* November 14, 2014) 346 (6211): 818

The Handbook of Science of Science Policy

Co-edited with Kaye Husbands-Fealing, Jack Marburger, Stephanie Shipp, and Bill Valdez, Stanford University Press, 2011

The Analysis of Firms and Employees: Quantitative and Qualitative Approaches

Co-edited with Stefan Bender, Fredrik Andersson, Kathryn Shaw and Till Von Wachter, NBER, University of Chicago Press, 2008

Confidentiality, Disclosure and Data Access: Theory and Practical Applications for Statistical Agencies

Coedited with Pat Doyle, Laura Zayatz and Jules Theeuwes, North Holland, 2001

The Creation and Analysis of Employer and Employee Matched Data

Part of the North Holland Contributions to Economic Analysis Series. Coedited with John Haltiwanger, Jim Spletzer, Jules Theeuwes and Ken Troske, 1999

BOOK CHAPTERS

1. A Roadmap to a Nationwide Data Infrastructure for Evidence-Based Policymaking with Andrew Reamer December 21, 2017; pp. 28–35 in *The ANNALS of the American Academy of Political and Social Science* Volume 675, Issue 1
2. Building an Infrastructure to Support the Use of Government Administrative Data for Program Performance and Social Science Research pp. 240–252 in *The ANNALS of the American Academy of Political and Social Science* Volume 675, Issue 1
3. The Conceptual and Empirical Framework, with Nathan Goldschlag, Bruce Weinberg and Bruce Weinberg in *Measuring the Economic Value of Research: The Case of Food Safety*, Kaye Husbands Fealing, Julia Lane, John King, Stanley Johnson Eds, Cambridge University Press, 2018
4. Identifying Food Safety Related Research, with Evgeny Klochikhin in *Measuring the Economic Value of Research: The Case of Food Safety*, Kaye Husbands Fealing, Julia Lane, John King, Stanley Johnson Eds, Cambridge University Press, 2018

5. The Structure of Research Funding, with Reza Sattari, and Chia-Hsuan Yang in *Measuring the Economic Value of Research: The Case of Food Safety*, Kaye Husbands Fealing, Julia Lane, John King, Stanley Johnson Eds, Cambridge University Press, 2018
6. The Food Safety Research Workforce and Economic Outcomes, with Matthew Ross and Akina Ikudo in *Measuring the Economic Value of Research: The Case of Food Safety*, Kaye Husbands Fealing, Julia Lane, John King, Stanley Johnson Eds, Cambridge University Press, 2018
7. The Link Between University R&D, Human Capital and Business Startups, with Nathan Goldschlag, Ron Jarmin and Nikolas Zolas, *NBER CRIW volume on The Measurement and Diffusion of Innovation*, Carol Corrado, Dan Sichel and Javier Miranda (eds), forthcoming.
8. Policy Analysis in Policy Advisory Committees, *Policy Analysis in the United States*, John Hird (ed) in the *International Library of Policy Analysis* series, 2017
9. “Privacy and Confidentiality” in *Big Data and Social Science: A Practical Guide to Methods and Tools*, Taylor Francis, 2016
10. “Science and Innovation Policy” in the *Oxford Research Encyclopedia of Business and Management*, Oxford University Press, 2017
11. Editors’ Introduction in *Privacy, Big Data, and the Public Good: Frameworks for Engagement*, co-edited with Stefan Bender, Helen Nissenbaum and Victoria Stodden, Cambridge University Press, 2014
12. “STAR METRICS” with Rebecca Rosen in *Ethics, Science, Technology, and Engineering: An International Resource*, 2nd edition. Macmillan, 2014
13. “Science Metrics and Science Policy” with Mark Largent and Rebecca Rosen in *Next Generation Metrics: Harnessing Multidimensional Indicators of Scholarly Performance*, edited by Blaise Cronin and Cassidy Sugimoto, MIT Press, 2013
14. “The Science of Science Policy” with Kaye Husbands Fealing and John King in Bainbridge (ed) *Leadership in Science and Technology: A Reference Handbook*, Sage Press, 2011
15. “Protecting Confidentiality” *World Wide Research: Reshaping the Sciences and Humanities*, Dutton, W. H., and Jeffreys, P. W. (eds), Cambridge, MA: The MIT Press, 2010
16. “Temporary Help Agencies and the Advancement Prospects of Low Earners” with Harry Holzer and Fredrik Andersson, in *Labor Market Intermediaries*, David Autor (ed), NBER, University of Chicago Press, 2009
17. “Linking Administrative and Survey Data” in *The Handbook of Survey Research* in Peter Marsden and Jim Wright (eds), Emerald University Press, 2010
18. “Inequality and the Labour Market – Employers” in the *Oxford Handbook on Economic Inequality*, Wiemer Salverda, Brian Nolan and Tim Smeeding, (eds), Oxford University Press, 2009
19. “Introduction” with Stefan Bender, Fredrik Andersson, Kathryn Shaw and Till Von Wachter, *The Analysis of Firms and Employees: Quantitative and Qualitative Approaches*, co-edited with Stefan Bender, Fredrik Andersson, Kathryn Shaw and Till Von Wachter, NBER, University of Chicago Press, 2008
20. “Wage Structure and Labor Mobility in the United States” with John Abowd and John Haltiwanger in *An International Comparison of the Structure of Wages I*, Ed Lazear and Kathy Shaw (eds). NBER/University of Chicago Press, 2008
21. “Data Protection and Data Utility: Evidence from the Survey of Consumer Finances” with Arthur Kennickell, in *Privacy in Statistical Databases Lecture Notes in Computer Science*, Josep Domingo-Ferrer

- and Vincenc Torra (eds.), New York: Springer-Verlag, 2006
22. “The Relationship Among Human Capital, Productivity and Market Value: Building Up from Micro Evidence”, with John Abowd, John Haltiwanger, Ron Jarmin, Paul Lengermann, Kristin McCue, Kevin McKinney and Kristin Sandusky *Measuring Capital in the New Economy*, in Carol Corrado, John Haltiwanger and Dan Sichel (eds), University of Chicago Press, 2005
 23. “Too Many Cooks? Tracking Internal Labor Market Dynamics in Food Service with Case Studies and Quantitative Data” with Phil Moss, Chris Tilly and Hal Salzman, in *The Future of Work: How and Why Low-wage Jobs are Changing* Eileen Appelbaum, Annette Bernhardt and Richard Murnane, (eds), Russell Sage Foundation, New York, 2004
 24. “New Approaches to Confidentiality Protection: Synthetic Data, Remote Access and Research Data Centers”, with John Abowd in *Privacy in Statistical Databases 2004* Josep Domingo-Ferrer and Vincenc Torra (eds.) New York: Springer-Verlag, 2004
 25. “Introduction” with Pat Doyle, Laura Zayatz and Jules Theeuwes in *Confidentiality, Disclosure and Data Access: Theory and Practical Applications for Statistical Agencies*, Pat Doyle, Julia Lane, Laura Zayatz and Jules Theeuwes (eds), North Holland, 2001
 26. “Business Perceptions of Confidentiality” with Nick Greenia and J. Bradford Jensen in *Confidentiality, Disclosure and Data Access: Theory and Practical Applications for Statistical Agencies*, Pat Doyle, Julia Lane, Laura Zayatz and Jules Theeuwes (eds), North Holland, 2001
 27. “What Factors Affect a Low Wage Worker’s Ability to Become Selfsufficient or Progress in the Labor Market: The Role of Job Turnover” in *The Low Wage Labor Market: Challenges and Opportunities for Selfsufficiency*, Demetra Nightingale (ed), Urban Institute Press, 1999
 28. “The Effect of Worker Reallocation on Earnings Dispersion: Longitudinal Evidence from Linked Data” with Jim Spletzer, Javier Miranda and Simon Burgess in *The Creation and Analysis of Employer and Employee Matched Data*, John Haltiwanger, Julia Lane, Jim Spletzer, Jules Theeuwes and Ken Troske (eds) North Holland, 1999
 29. “Sources of Earnings Dispersion in a Linked Employer-Employee Dataset: Evidence from Norway” with Simon Burgess and Kjell Salvanes in *The Creation and Analysis of Employer and Employee Matched Data*, John Haltiwanger, Julia Lane, Jim Spletzer, Jules Theeuwes and Ken Troske (eds) North Holland, 1999
 30. “Job Flows and Worker Flows: Issues and Evidence from a Panel of US Firms” with Simon Burgess and David Stevens in *Flow Analysis of Labor Markets: International Perspectives* (ed) R. Schettkatt, Routledge, London. 1996
 31. “Input-Output Restrictions, Regional Structural Models, and Economic Forecasts” with Dennis Glennon, in *New Directions in Regional Analysis, Integrated and Multiregional Approaches*, Luc Anselin and Moss Madden (eds.), Belhaven Press, 1990

VISITING POSITIONS

Victoria University, Wellington, New Zealand (1987, 1993, 1995); Bond University, Australia (1990, 1994); University of Technology, Sydney, 2000; SOFI, University of Stockholm, Sweden, 1996; IFAU, University of Uppsala, Sweden, 1998; ISUGA, Quimper, France, 2001; New Zealand Department of Labor, 2001, 2002, 2003 ; National Institute on Aging, 2003 – 2004; 1997-1999; Federal Siberian University, 2007; 2011-2012 Office of Science Policy Analysis, Office of the Director, National Institutes of Health (part-time detailee), 2012, Visiting Scholar, University of Melbourne, Australia, 2016 USIAS Fellow; Auckland University of Technology 2019-2023; RTI International, 2023-2024, National Institute of Standards and Technology, 2024

SELECTED PRESENTATIONS

Professional

American Economic Association meetings (1994; 1995; 1996; 1998; 1999;2000; 2001, 2003, 2004, 2005, 2007, 2009, 2012, 2013, 2015, 2017, 2020, 2022); American Statistical Association (almost every year since 1997 and invited overview lecture, 2014); AAPOR, 2018, American Sociological Association (2009, 2010); American Association for the Advancement of Science (2008, 2009, 2011, 2012, 2013, 2014); NBER (productivity group) 2000, 2001 (personnel economics) 2003, (summer institute) 2004; CRIW 2008; Academy of Management (2007, 2008) OECD, various presentations; International Association of Survey Statisticians, 1998; International Statistical Institute (invited) 2005; Universities and research institutes in Austria, Australia, France, Germany, Italy, New Zealand, Sweden, Norway, Denmark, the Netherlands, and England, as well as the US. U.S. Government agencies, such as the Departments of Treasury, Labor, Commerce, and HHS. New Zealand Government agencies, such as Department of Labour, Ministry of Economic Development, and Statistics New Zealand.

World Bank

Government officials in Madagascar, Morocco, Tunisia, Malaysia, Mexico; European Union conference on training in Barcelona, Spain; several units in Washington.

Science of Science Policy

Hundreds of national presentations to research institutions, academic and professional organizations, international institutions.

REFEREE

Nature, Nature Communications, Nature Human Behaviour, Nature Scientific Data, Science, Quarterly Journal of Economics, American Economic Review, Economics Letters, Labour Economics, Economic Development Quarterly, Southern Economic Journal, Oxford Economic Papers, Journal of Regional Science, Journal of Human Resources, Journal of Risk and Insurance, Journal of Economic Education, New Zealand Economic Papers, Applied Economics, Economic Development Quarterly, Journal of Labor Economics, Industrial and Labor Relations Review, Journal of Policy Analysis and Management, Economic Inquiry, Journal of Official Statistics, International Journal of Manpower, British Journal of Industrial Relations, Economic Journal, Communications of the ACM

BOOK REVIEWER

Southern Economic Journal, Journal of Regional Science, OECD Employment Outlook, Labour Economics, Industrial and Labor Relations Review

EDUCATION

Ph.D. University of Missouri, Columbia, Major Area: Economics, Minor Area: German, 1982

M.A. University of Missouri, Columbia, Major: Statistics, Minor: Mathematics, 1982

B.A. Massey University, New Zealand, Economics and Japanese, 1977
